“ We are so fortunate to have known Korky. She was an amazing friend to both my parents (Jim and Lorna Casey) who live in The Villages and when Mom passed in December she was there for all of us and continued to be there for my Dad. We got to know her through all our visits and she knows our kids even better because they spend summers down there. She was another grandmother to the kids and they loved her dearly. Korky was a beautiful lady inside and out and we will all miss her. Love, Paula, Ed, Eric, and Kirsten Seeley

“ Korky was a delight to work with at LRMC. Over the twenty five years she volunteered I looked forward to seeing her. Which seemed like everyday and she was a volunteer. She had a kind and giving spirit always looking to improve the services at LRMC through her dedication and commitment. She was a wonderful lady and will be greatly missed. Phyllis

“ This lady's smiling face on Sunday mornings in church will be sorely missed , especially by me. It was rare for her to miss church and this past Sunday when she wasn't there I thought it was hurricane related. Sometimes it's the small things, even just the smile that makes a difference and Korky did that every Sunday. I'm sad but at the same time, happy that she is now with her Lord and Savior.

“ I will miss Korky. She was such a bright light at LRMC and was a joy to be around. We hit it off from day one. I used to tell her how pretty she was with her manicured nails and " Burts Bees" lipgloss. She was a jewel. I know she's reunited with her sweet John now
