“ I am sending all of my love and prayers to all of the family. I love him and miss him more than I can put into words and know how very blessed I am to have had him as my grandfather. Pawpaw had this amazing ability to just light up a room and make everyone laugh anytime he was around and that's just one of his many great qualities that will be missed. He meant so much to me and to so many other people and I know that he will be looking down on all of us. Mawmaw I love you so very much and know that you are such a strong woman, but we are all here for you in any way that you need us and you will be in our thoughts and prayers.

“ Dear Wanda, we are so sorry you have lost your dad. I know it is very emotional even if you were not close. And much heartache if you were. It is a loss we are never truly prepared for. I had seen my dad maybe a half dozen time since I left ILL. I was overwhelmed when he died which surprized me. I hope you are doing well. Sincerely, Kathy and Greg.

“ Hi Doris, So sorry to hear about Curly. He was a wonderful gentleman and I will truly miss him. I got to know you and Curly while together with Wanda and became very fond of you both. You are both warm and caring people. I wish I could say something comforting but I can't imagine the feeling of losing someone who was such a huge part of your life for so long. My heart goes out to you and you are in my prayers as is Curly. God Bless you both.

“ Doris, I sit here and look at Curly's picture and can hear him say "Hey,Bobbie". I never let anyone else call me by that name except my big brother. Even though distances separated us from each other in life, we were close in heart always. He was one of a kind and this world feels a loss now that he is gone. I so wish I could be there with you to share your pain but I know you understand. We'll always be sisters with a bond nothing can erase.....Curly. I love you Doris.
