“ We were so sorry to hear of your loss. She was a bright and funny woman and even though we didn't know her very long, she always made us smile. I loved how she matched her shoes with her outfits!!! You will be in our thoughts.

“ *She is a great lady, or should I say a very funny lady. Dena could light up any room she was in. She fulfilled my father's life until he passed. I want to say thank you Dena from the bottom of my heart.*
