“ *I have known Jo Hill since 1976, when I first went to work for her
husband, Art, at the Leesburg Municipal Airport. I worked for Art
and Jo for 13 years before I married, and moved to Atlanta, then to
Panama City. During the 13 year tenure, Art and Jo were like my
second parents. I respected them immensely and was grateful for
their friendship. We celebrated each other's birthdays while I
resided in Leesburg, but after I moved away, and even after Art
passed away in 1995, Jo always sent me a birthday card-never
forgetting my birthday. She even sent one this past June, as ill as
she was, she maintained her loyalty and friendship.*

*Jo was a gracious and gentile lady. She enjoyed adventure and
travel in her life. I am thankful to Don who took such care with her
in these last days.*

*God Bless all of you as you can imagine Jo watching over us from
the heavens.*

“ Although due to the corona virus I had not had the opportunity to see or visit with Jo for some time and did not even realize she was ill, I am so sorry to hear of her passing. She was such a good friend and such a wise and witty woman. She will be missed.
