

Lanny D. Husebo

August 22, 1952 - June 9, 2018

Lanny D. Husebo, 65, passed away unexpectedly in his sleep on June 9, 2018, in Leesburg, Florida. Born on August 22, 1952, in Eustis, Florida, to Wendell ("Wendy") and Jean Husebo, he was the second of three children. He married Jacqueline Swiderski on October 27, 1984, in Orlando, Florida. The young couple homeschooled four of their six children and lived in Leesburg in the same home all of their married life.

He was known as a kind and gentle man with a smile for everyone he met, never meeting a person he did not like. His family was notably most important in his life and, after that, his community.

Lanny first worked alongside his dad at WLBE, spinning records and rushing to cover weather events for the people of Lake County. He joined the family business, Husebo Advertising & Public Relations, as a teenager. He graduated from Mount Dora High School and Lake-Sumter Community College.

Lanny and his father were always close. They worked together at their Leesburg office for over 40 years. Early clients included Florida Telephone, Golden Gem Growers, and Citizens National Bank. With clients soon growing across Central Florida, they were awarded the contract for Lake County's first TDC campaign. Over his career, Lanny coordinated over 700 public relations

events in Lake County and 30 bank grand openings. Wendell passed in 2014, and Lanny moved the business to Mount Dora, with Jacqueline now working alongside him as CEO. The business celebrated 55 years this year.

Following in his father's footsteps, he served his community his entire life. He taught in Sunday School and was Chairman on the Deacon Body at First Baptist Church early in his career. He was very involved with the Leesburg Rotary Club and was twice selected to be recognized as a Paul Harris Fellow. He later became a member of Leadership Lake County and then of Lake 100.

Lanny has been on the Board of Directors for United Southern Bank since 2003, serving as Vice-Chairman for two years. Lanny gave his time to the board of Cornerstone Hospice of Lake, Orange, Polk and Sumter for three terms and to the ARC board, as well. He was a past member of the Leesburg Chamber of Commerce and current member of the Mount Dora Chamber of Commerce. He has attended Saint Andrew's Chapel since 2010.

Cap League baseball was at the top of Lanny's enjoyments for many years as he coached for all three of his son's teams. After that, he helped to shuttle his three girls to ballet classes. He was known to play a fierce tennis game at the former Silver Lake Golf and Country Club and for running and working out at the gym, rarely ever missing a day.

Those who knew him knew of his love of chocolate. Brownies, chocolate chip cookies, and thick chocolate shakes were always on his menu.

Lanny is survived by his much-loved wife, Jacqueline, his children, Ben Husebo, wife Ayslinn Herndon Husebo (and their children, Hollis and Easton); Brian Husebo, wife Lisa Remillet Husebo (and their children, Rhiannon, Joseph, Daniel, Timothy, Samuel); Lancée Husebo Kurcab, husband Nathanael Kurcab (their son, Winslow); L. Wendell Husebo; Sophia Husebo;

and Caroline Husebo.

Husebo will be held Friday, June 15, 2018 at St. Andrews Chapel, 5525 Wayside Drive, Sanford, FL 32771 at 9:30 a.m. Visitation will be Thursday, June 14 at the Beyers Funeral Home Chapel, Leesburg from 5:00-7:00 p.m. For those who wish, memorials may be made in Lanny's name to Ligonier Ministries (www.ligonier.org) or to Rafiki Foundation (www.rafikifoundation.org). “ Dear Jacqueline and family,

Just wanted to send our condolences on Lanny's passing. I'm a first cousin, daughter of Ted and Myrna Wolf from Long Lake, MN. I now am married, live in AZ and have three grown children.

I have fond memories of time spent with Larry, Lanny and Sandy. At MN family reunions and also once when my sister Martha and I visited the Husebos in Florida. I was in 9th grade, and the boys had set us up with blind dates. We had a blast!

Lanny was a special guy. We are sorry for your loss and pray for your healing and comfort in the days ahead. Sending love your way as we remember Lanny.

“ Jackie and family, So sorry to learn of Lanny's passing. Lanny was one of the first to introduce me to the business community of Leesburg when I came in 1970 and I will forever be grateful. He like his father was a wonderful man, full of life and love for all. His greatest attribute to me was his willingness to share his christian faith which he did with enthusiasm and conviction his whole life. He was a first class gentleman and loved his family with a great passion and leaves them with a great christian legacy which I know jackie and family will carry on. Norman cummins

“ I arrived at the gym last week a bit past 5 AM. Lanny was already there working out. Since I was working hard on a machine as he was heading out ten minutes later, I caught his smile and glance and we nodded to each other. Little did I know that would be the last time I saw Lanny.

James tells us that our life is like a vapor that is visible for a little while and then vanishes. Love and relish your family and friends every day. Make a difference in others' lives.

Our prayers and condolences go out to the family.

“ Jacqueline and children, You are always in our thoughts and prayers as you go through this trying time. Lanny's passing had to be the saddest news we have ever encountered. It is hard to imagine your beautiful home without Lanny's warm, inviting presence. You have a warm, close, Christian family which should help sustain you at this time. Lanny is in an ideal place, and we all shall be with him when God chooses our time. We will never forget Lanny. You were the best neighbors we have ever had.

“ I was shocked when I heard that Lanny had passed on. I always looked at him as being so healthy and consented about diet. He was a very enjoyable person to be around and work with. Like his father before him that I spent more time working with. He will be missed and lets let his memory be a blessing. God Bless his wife and family.

“ Oh Lanny you have left far too soon! You will be missed by many. What you have accomplished with Jaquiline by your side is amazing. I am referring to all those beautiful children. Last I saw you two there was only 3 little ones as you visited us in Georgia. I know family meant everything to you and in this life you left behind a legacy for the future and you will be commended for that in the afterlife.

It was a pleasure to have known you and work with you at Husebo Advertising. Peace be with you and may your family find peace in these times.

“ It came as a tremendous shock to hear of Lanny 's passing. We met in 2004 when I purchased Silver Lake Country Club. We often chatted about business , life and politics. He was always very knowledgeable about Lake County events, activities and of course politics. I can't imagine Lake County had a more fervent advocate. He loved the area and it's residents. What started out as a casual acquaintance developed into a business relationship which in turn became a friendship. I'll miss him and our long talks. He was quite a guy.

“*Marybeth & I were so saddened to get this news. I knew Lanny his entire life. What a wonderful life it was.*

Lanny was a kind and gentle husband, father, businessman and community leader. He had the most positive outlook that I have seen (next to his father). He will be greatly missed by all.

Best wishes to all of Lanney's family. His life was "well lived".

“*Lanny - I will greatly miss our times together, discussing our daughters over breakfast (you always beat me to Wolfy's) sharing fatherly advice and a great friendship. You loved your family, your friends, your community, your business. I know you are with our Lord, and although you have journeyed to be with Him, your message to those you leave behind would be to "Have a great life! See you all again!" "Talk Soon!!"*
