“ To the entire Arthur family, I am so blessed to have known your family my entire life. Mr. Arthur helped shape me into the man I am today, and I could not be more thankful for his guidance and support. I spent many days and nights throughout my childhood at the Arthur home. There was so much love and laughter in your home. I remember laughing all the way to and from practices in Mr. Arthur's old blue pick up truck with the horn that played different tunes. Mr. Arthur always had a joke and a smile to share. He will be greatly missed. Love and prayers, Charlie Gray

“ I have only met Larry a few times but you only need to met him once to know how great of a guy he is. Always smiling even in the worst of times, great sense of humor an all around great guy. I was once told that life is not judged but what you have but what you give and he has givin so much. We should not cry for his passing because he is still with ever one in our minds and our hearts.
