March 27, 2012

### Obituary of Larry Fetter

Larry Wayne Fetter, 70, of Leesburg, Florida, died Tuesday March 27, 2012. He was originally from Drayton Plains Michigan and graduated from St. Michaels Catholic School in Pontiac, Michigan in 1959. Larry spent 7 years in the US Navy. During this time he became a plank owner on the USS James Monroe SSBN622. He has remained close with many of his Navy crew over the years. Larry and his family moved to Lady Lake to own and operate Pine Island Fish Camp in 1974 where they remained for 30 years. He enjoyed hosting bass tournaments and was always an early bird at the camp welcoming all fishermen. He brought joy to hundreds of people as a professional fishing guide. He also enjoyed hunting and the camaraderie of his hunting club buddies in Georgia. Larry was an avid support of UCF sports. He hosted regular tailgate parties at home games that a network of close family friends attended.

He is survived by his wife, Diane J. Fetter of Leesburg FL; daughter Susan (Robert) Baker of Snohomish, WA; son, Eric W. Fetter of Orlando, FL; brother Mick Fetter of Michigan; two grandchildren, David Baker and Erika Webb and three great grandchildren.

“ We mourn Uncle Larry's passing but don't wallow as he would not want that. Instead, we celebrate the life he lived, the family he made, the jokes he told (even the bad ones!), and the person that he was. Uncle Larry, you were quite a character! You were well loved, and will be very missed.

“ I've been gone from Fl. for quite some time, but some of my best memories of my time there was spent around Larry. He and I finished 2nd in the Orange Lake Open, and got the biggest trophies I think either of us ever saw at a tourney. He was a great friend to Doc Ed and myself. My deepest sympathy to Diane and family. Tom Williams

“ Diane, Susan & Eric I want to express my most sincere sympathy in your loss. I have so many memories of the entire family from when I was growing up! I vividly remember Pine Island Fish Camp, how we would leave candy canes (or something similar) on the doors of all the campers on Christmas Eve during our visits to Florida. How I used to get so excited to get a candy bar from "Mr. Fetter's" store at the fish camp and the memories of riding in the boat on Lake Griffin! But most of all I am most honored to call him my godfather and that always made me feel special. I know your happy thoughts will carry you through the dark days ahead. But I hope you feel peace knowing that he is pain free in our God's paradise of heaven watching over you. I will keep you in my thoughts and prayers, always. Love, Erin

“ I first met Larry when I reported aboard the USS James Monroe in early 1964. She was going through PSA in Newport News and Larry and I were both assigned to the Fire Control gang. (No, we didn't put out fires; we had the awesome responsibility of maintaining and readying for unleashing the ship's 16 Polaris missiles should an enemy decide to launch its missiles on the USA.) After our marriage on November 7, 1964, my bride Diane and I moved to USS James Monroe's homeport of Charleston, SC. Larry and Diane (#1 because she was first aboard) and my Diane (#2) soon became good friends. They supported each other while Larry & I were on patrol. Larry was always a genuine friend to everyone he met. I had the pleasure of making 4 deterrent patrols with him on the "Jimmy Fish" and liberties with "Soupy" and other shipmates in Scotland and Rota, Spain. And let's not forget Christmas' a sea, slot car races in crew's mess, Family Grams, and Blue Nose ceremonies aboard ship. Off crew periods included fond memories of parties at the Fetter's home on James Island, SC and many other good times. Diane #2 and I kept in touch with Larry & Diane over the years and made several visits to Pine Island Fish Camp with our family. Also, a very memorable SSBN622 ship's reunion in Las Vegas with the Fetters will never be forgotten. We had the good fortune of being able to visit with Larry, Diane, Susan and Eric on March 22, 2012 during a trip to the Orlando area. Larry, you were a good shipmate, great friend and you will be sorely missed. Sailor, rest your oar.....

“ Words can't adequately express our sadness of Larry's passing. Words can't adequately express our feelings of remorse on Lays' passing. We have missed our Florida family terribly since we left. This news was catastrophic. Larry started to teach me Florida fishin in 1974 and continued in this vain effort for the next 36 years. I spent many days fishing with him and enjoyed every minute of it, He and his wonderful family were and are generous and loving people. Our hearts are with them. We thank them for the great times we had with them and love them all. .

He will always be my fishing idol as he was the best of the best. I will miss him more than anyone knows. Diane and family I am so sad for your loss.

“ To Larry's family, I am sorry for your loss. I have such a good memory of Diane and Larry at St. Mikes 50th reunion along with son Mark. He seemed to have such a zest for life and I know he will be much missed. At that same event Jim Z. talked about how he and Larry became fast friends that last year of high school and how they have remained friends through all the years. Bless you all!
