

Larry Wasylchak

July 30, 1961 - July 22, 2021

Larry Allen Wasylchak (59) of Leesburg, Florida passed away July 22, 2021. He was born July 30, 1961 in Poughkeepsie, NY.

Larry is survived by his dear wife of 14 years, Jami Bryant Wasylchak; his children, Stephen Wasylchak (Olivia) of Lawrence, KS, Brantley McConnell of Leesburg, FL and Heather Nolan (Tyler) of Leesburg, FL. He was blessed with grandchildren Jovany Martinez, Landon McConnell, Kinsley McConnell, Maximilian Wasylchak and Owen Nolan. He is also survived by his siblings, Linda Gangluff, Lee Wasylchak and Lyle Wasylchak. Larry was preceded in death by his parents Russell and Phyllis Aldrich Wasylchak and his first wife, Maxine Thilmony.

Larry was a longtime owner/operator of a pest control business among other various jobs. Most recently, he served as a security host, first for a private company; then the Leesburg Regional Medical Center and ultimately he "guarded the magic!" (his words) at Disney World. Larry loved to volunteer. He was a Boy Scout Troop leader for years with a heart to go the extra mile in mentoring scouts, many of whom advanced to the rank of Eagle, as well as the Order of the Arrow. He also, with Jami, was certified with the Florida Fish and Wildlife Division to teach hunter education classes. He, himself, enjoyed camping, hunting and fishing. He was a "Jack-of-all-trades." Being vocationally trained as an electrician, he learned how to do most everything

else for himself and to help others, which he often did. Larry also loved to learn. His favorite "classrooms" were the History and the Discovery channels. Some would say at his 6'4" stature, he was intimidating to look at but he had a heart of gold, especially for his grandchildren. He has left many memories and will be sorely missed.

Tribute Wall

“ *Beyers Funeral Home created a Tribute Video in memory of Larry Wasylchak*

May 11, 2022 at 07:16 PM

“ *I just found out that my buddy Larry had passed away. I was friends with him and Maxine in Sebastian Florida. And worked with Larry at "Reflections On The River". He had helped me wire my shop The Brass & Copper Shop. He always had a smile and willing to offer a hand no matter the job. I was looking for Larry to let him know how my life had changed and to catch up on years gone by. You will be missed buddy. Sincerely, Ronald Reedy*
