“ We never personally met Latrel but rented their condo at the Tiki on Manasota key for over 10 years. I spoke with her each year to make arrangements and to handle a few issues at the condo. She was always so friendly and upbeat. Wishes I had meet her in person. Our condolences to Cecil and the family. May she Rest In Peace and the angels welcome into heaven 🙏

“ Lee, I am so sorry to hear of Latrell's death. She was in school with my wife, Ann Baker, and I well remember her owning and operating the Dona Vista restaurant. You probably don't remember me, but Ann and I saw you at McDonald's in Eustis many years ago. I think you were wearing a uniform, and from you name plate we inferred that you might be Latrell's brother. You did confirm this to us. May the Lord's blessing and comfort be with you and her other family at this sad time.

“ Lee, I am sorry to learn of Latrell's death. She would have been in my wife, Ann Baker's class at EHS, and I remember her ownership and operation of the Dona Vista restaurant. The Lord bless and comfort you and her family at this sad time. You won't remember me, but I think Ann and I saw you at McDonalds in Eustis many years ago, and seeing your nameplate asked about her. Best regards. John.
