“ Dear Lucas Family, Our heart and prayers go out to all of you, Just wanted to let you know what a special lady MS. Laura Lou was to me , she touched my heart in so many ways, When I really met her it was for me to kind of help out some, But it was truly the other way around , God sent her to me, its like she knew just when and where something was wrong and no matter what we were doing or where we were she knew the perfect time to stop and pray with me, we became very close in a short period of time, Ya see I lost my mother almost ten years ago suddenly, And Ms. Laura Lou seem to come in my life when I needed her the most, I so enjoyed her stories and seeing that smile on her face, even up till the very day she passed, she told me another story that very day and prayed for me and my family and smiled, and I know she was in much pain at the time.....God has truly got a Angel. God Bless the whole family!! for this lady will be truly missed, and Mr. Ray we promise we won't forget you as well, we enjoy your love for the history of Astor and enjoy your stories too, we love you all..... The Easters
