“ *I love you mom! I love you so very much. I really like how this picture of you depicts how beautiful you are from the outside in. Like your love deep inside my heart for you, I'm certain how you loved me for you taught us well, you showed us the way. Yes, Im forever grateful for you mom... just for being my mom. For those you have touched in your walk through life, my deepest sympathies. May you have many more warm embraces, many snugly angels watching over you and peace in knowing mom is now at rest in a better place. I love you mom!*
