“ *It was a joy for me to get to know Larry and Jan while serving at FBCO. With smiles on their faces and joy in their heart regardless of any diagnosis, they managed life as it was and made the best of it. I shall treasure the sweetness of Larry's smile and his kind words always. Jan... you are thought about, adored and loved by so many. I ask that God be your dearest friend during the coming days and weeks ahead. Hugs to you my special friend and thank you again for letting me know of Larry's passing. Blessings on you now...*
