“Dad was always there for his family never waverd. Was at all his son sports games, would go to work early so he would make it to 4 pm wrestling matches. Travel to many different places with his wife Betty and sons Larry and Michael. His life was for his family and the love he had for his grandchildren and great grandchildren was wonderful, leaving them with something special for each of his three great grandkids. He will be missed by his family and he also love his plumbers union where he held office for some years. Dad, You Will Be Missed Life will be dull without you. I LOVE AND MISS YOU DAD SO VERY MUCH
