“ *Larry was one of the finest people I ever had the pleasure to meet in the billboard business...and that's a period of time over 30 years. He was always a gentleman and the epitome of class. All of us at Beech Outdoor Advertising are so sorry to hear this sad news. Peace be with the Lavigne family during this time. Larry's with the angels now....*

“ *Larry, you have been an every day presence in my life for 25 years. I still see you, hear you and love you. I'm not sure how to live without you here. The only thing that gives me peace is knowing that even though you are gone the love that you have shown me still lives on, I hope that you know how much you were loved. Love you Lar-bear, Noel*

“ *Hey Dad. I keep thinking of you...wishing that I could have one last conversation, one last hug, one last lesson. You always gave so much of yourself throughout your life. I wonder if anyone ever put their arm around you and said that they were proud of you? I know that God has his arm around you now, and that you are surrounded by love. Thank you for all the beautiful memories, all the important lessons, and your generosity. Love Always, from your Son.*
