Theresa, I met Lee a few times and he always seem to have such a kind and gentle spirit. I know that you loved him and you will miss him deeply. Just remember...to be absent from the body is to be present with the Lord. I know there's great comfort in knowing he's with God. Stay encouraged and I pray for his grace, mercy and peace. I love you my friend.

Theresa, I am so sad to here of Lee's passing. I am so sorry we lost contact over the years but I will say I always had a special place in my heart not only for Lee you as well. You took Kimmy and I in like family when we moved to Fla, I'll never forget I wasn't even there 10 mins and Lee had me out on a lake fishing by your home. He was a fantastic husband. I remember us watching the first NASA night launch on your land a moment I'll never forget. Kimmy and I love you both never forget that.
