“ *Mr. Cawley was an amazing man. He was a great friend to all. He was the best male role model I ever knew. We all should be so very proud of him. He took care of his family. He was in the Military and was captured, he was a POW for 2 1/2 years. He was truly an amazing and I am proud to say I knew him.*

“ *Mr. Cawley was on our first Villages Honor Flight and epitomized the character of our wonderful WWII American heroes. He always supported our cause and was a man of few words, but a very kind, gracious, caring man. Thanks for sharing him with all the Honor Flight family. I was honored to know him.*

“ *Uncle Lee will truly be missed. My family grieves and also celebrates all the special moments we shared. His humility and kindness - sincerity and humor - made the world a better place. There was no greater ambassador for The Villages or more dedicated fan of Notre Dame football. May he rest in peace.*
