“ You were admired by us both for many reasons- most especially your parenting of your fine sons, your patriotism, and humor. This is the first Sunday without you and already miss hearing anecdotes of your weekend and of your sons.

“ Pratt family, words cannot express how very sorry I was to hear about the passing of Lee. I will keep you in my prayers in these days to come. Although it has been years since I had seen Lee, I fondly remember our last conversation. I walked away from him thinking, what a great man!
May God heal your broken hearts. Love to you all.

“ I was just watching video of Lake Nickajack...Uncle Leon driving and pulling his homemade train behind...the little kids were riding and having so much fun. It seemed he could make almost anything....like a treehouse, which was more like a condo. I remember Easter on Mahoney with a blowup slide in the front yard...such wonderful memories.

Boys, I wish there was a way to ease some of this pain. Know all of us are praying for you daily, and are here to come along side you in any way you need.

You are all wonderful reflections of the creative, hard working, and kind man we knew him to be.

Wishing we were there, but know you are surrounded by love.
