“ Mimi, We already miss you so much. Monica, the kids and I have so many happy memories of the times we spent, not only in Alabama, but also in Florida. The Thanksgiving Holidays were always so much fun. The whole family coming together to visit and catch up. Getting to see all of the generations together was something that none of us will ever forget. I know I speak for Melinda too when I say that the summers we spent with you and Poppy in Alabama were the best. We both looked forward to those trips every year, and I think it was the only thing that made the school year bearable. Those weeks in Alabama every year are times that we will never forget. I know how much I miss those times, and I know how much we all miss you. You made such a difference in our lives, and I love you very much. Love, Bo
