“*Have fond memories of Lena. Went to nursing school with her and Karen. Both were great individuals. Lost touch with both over the years, but will never forget the sweet soul that she was during our journey through nursing school. She loved her family and spoke so kindly about them all. She will be greatly missed by many. Rest in peace, Lena. Thoughts and prayers for the family. God bless you all and bring you peace.*”

“ My heart hurts for your loss. Aunt Bea had the kindest spirit and I have such fond memories of her and precious Phil. She was so proud of her family as we were her.
