“ Marc & Jonathan, I am so sorry to hear of your mother's passing. She and I started at Target about the same time. We had many great conversations about family and how much she loved you both. The last time I saw her she and I sat at Target Food Court for a good hour and a half. That was just before I went on leave and now I find out just before she went out. I will miss her very, very much. She was the only one at Target that I would say I felt close to. I am so sorry I could not make her service but I have been on Cape Cod visiting family since the end of July. I will be back in Florida August 25th. Maybe if you are in the area sometime we could meet for a cup of coffee. Carol Kemp

“ How blessed I was to be able to rekindle our friendship after 50 yrs. You cause me to smile whenever I think of you.,and that will be often. As a teen you knew that your creative talent would be your future. You certainly attained your goal. When it came to dancing you beat the best. Whenever you got on the dance floor with a partner.all others stopped watch you. Now you will be dancing with the angles.
