“ *God Bless Uncle Leo. My thoughts are with you all, Chrissy, Dean & auntie Diane. Seems like just a few years ago, we were having cookouts in Rhode Island and the parents were in their 30's still. Good memories. My mom has always had good things to say about her brother. He was a good father, husband, and family man. I am sure he will be missed greatly by all of his Fla. friends as well.*

“ To my beloved brother Leo. Although only distant in miles, never distant in our hearts. As you climb the stairway to heaven, I will be trailing right behind. Just reach out one more time (as you have done before) to lift me up so I won't stumble. You are my brother, my friend, my heart and my protector. I will love you forever...Nancy

“ In our older years we grew distant, but in miles only. We never grew distant from the love and bondage of what created us as siblings. You were always my big brother and the father I never had. You were my friend and my protector. Yes Leo, you were MY BROTHER...my one and only and you were special. You loved life, family and friends and always over extended yourself to others. You were a wonderful and respectable human being with a good heart and you were a man. I will love you forever...Nancy
