“ Jimmy & Steve, I'm very sorry to hear of your loss. I have fond memories of both your Mom & Dad at the fish camp and talking to them as they walked by my house in King's Cove. Anything I can do let me know.

“ Please accept my condolences for the loss of your father. Many times I enjoyed visiting with him at the Patrol station when he worked there with my father. It was men like Mr. Issacs who served the citizens so well that set the example for those of us who followed him.
