“ One of the highlights of a trip home to Batavia was a visit to see Lee and Bob. Could always count on a warm smile and soft hug, preferably from Lee. Was happy for them on the move to FL, but sad to lose the touch at home. But we will always remember her as she was...sweet, soft-spoken, beautiful, loving Lee. She always made us feel special. If there are more loving arms for Lee to be in than Bob's, she is in them now. May God bless and keep her. Rick and Judy Moscicki Jacksonville, Texas

“ I loved Lee beyond words. I can hear her laugh when I think of all the fun times. I've been seeing cardinals in my yard everyday. As I told Sandy, when you see a cardinal an angel is near. I have been saying hello to Lee everyday. The healing will be long and hard but you are all strong and will get through. Love you all, Betty
