“ Dear Karen and Family -- How very sad to learn of Leonard's passing. He was one of the first people to greet us in the Spanish Springs office on our first visit to The Villages back in 1997. Over the years, whenever he'd stop in at Community Tours, his quick wit always had us smiling -- if not laughing out loud. It is my pleasure and privilege to have known him. He will be missed.

“ We were sorry to hear of Leonard's passing. He was the first person we met in The Villages as he walked us through our first home purchase. We loved his outgoing personality and the stories he would tell. For our second home, he sat on two phones trying to get us the perfect lot! You will hear many stories like this about Leonard. May the memories we share provide you with comfort as you grieve his passing.

“ We will all miss calling Lenny & asking his advice on homes. We will miss chatting with him around town & sitting with him at Panera's. He was such a fun, straight talking guy who was admired by everyone who knew him! He left his Mark in the Villages with a street named after him! It's been almost 20 years since Lenny sold us our first house. He took all our calls & treated us like family! Rest In Peace, my dear friend!
Karen...our deepest sympathy to you & the family! Lenny adored you! You have memories to last a lifetime! May God Bless you & the Family as you move forward.
