“ I feel blessed to have known Leonard and am saddened to hear of his passing. I had the great pleasure of meeting Leonard this past June when my daddy, Jim Phipps, became a resident of Avante nursing home. While my daddy was still going through the admittance process Leonard came up to me and introduced himself, asked my daddy's name, promised to make daddy feel welcome, keep and eye on him, and show him the ropes. I was very touched by his kindness for my daddy and our family and always made it a point to visit with Leonard when I was in town visiting my daddy. Leonard was also on hand to help comfort me when my daddy passed. I will always remember his kind words and gentle touch. Leonard always had wonderful things to say about his family and I know he loved them all very much. My prayers go out to his family . Love, Jonilynn Schreffler.

“ We were saddened to hear of the passing fof Lenny. My Dad was his room mate in Avante, for a while, and he enjoyed his company. The last phone call dad was able to make prior to passing away, was to talk to Lenny and see how he was feeling. Lenny loved his family and I know he will be greatly missed.

“ I was so saddened to hear of Leonard's passing. I met Leonard last summer while my Dad, Jim Phipps, was a resident of Avante nursing home and I took a liking to him right away. It was clear that he loved his family and talked about them often. He had a kind, loving spirit and when it was time for me to leave my Dad, Leonard promised me that he would look out for my Dad and do anything he could to help him. I was so touched by that, so I decided to keep in touch with Leonard by sending little cards and notes. I am truly sad that I did not get to see Leonard again but am happy that he is at peace and that I had the chance to meet this special man. I will keep his family in my prayers.
