“ My first remembrance of my first cousin. "Speck", was in the '40's and he was still in uniform. As a US Navy veteran, he came home to NC, courted and married Frances. They moved to Buies Creek NC where they lived in married students quarters (Quonset huts) on the campus of Campbell College where he matriculated as a VA student. My family traded happy visits with LeRoy and Frances through the years in Sanford, Fayetteville and Spring Hope. We played with Reggie and Chris during those visits and later enjoyed Miss Sandra as she came into the family and regaled many with her twirling expertise. His mother, Katheleen, was the oral historian of the family who kept us abreast of family comings and goings. Both LeRoy and Frances always displayed a zest for life and are sorely missed.
