“ *I am very saddened to learn of Les' passing. He was a larger- than - life personality in our neighborhood and high school in Granby, Mass. I will cherish the memories of our adolescent years together and be forever thankful that we had a great deal of time to talk together at our last reunion where he spoke very lovingly about his family. My prayers are with his family and friends.*

“ June, I am so sorry you lost a wonderful husband and I lost a wonderful friend. They don't get any better than Les. He was a truly magnificent person. You are in my thoughts and I'm sure we'll talk often. I am here for you if you need me. Most sincerely, Carol

“ Les and I graduated from Granby High in 1965 and I did not see him again until our class reunion some 45 years later. My deepest sympathy goes out to his family.

“ Dear June, California is a long way from FL and MA--I was sadly unable to attend the last class reunion, but I remember Les very well as a fun-loving and very kind person. I'm sure you and your family miss him dearly and always will "till you meet again"! I, like many, am grateful for his long service to our country as well. God bless you all as you cope with this loss.
