“ Bud loved playing and singing country music and he encouraged me to play my guitar and then he thought I should sing! It took me a long time to get the courage to sing a song in front of other people. I am so thankful that he got me started playing music/singing as I'm having a great time doing that. So, thank you, Bud! You will always be remembered.

“ Sorry for the loss of Bud. I spent many enjoyable hours listening to Bud and others in his group play music. He was a gentleman who obviously made people happy from his heart.
