“ Kim, Linda and Brandon....We are so sorry about Levi's accident and the pain you are experiencing. Levi was talented in so many areas and blessed everyone he came in contact with...More then anyone else I know, Levi was able to see a person as Christ would...Levi would look past a person's outward appearance and care for someone who might not know love or feel that their life choices made them "unlovable." What a gift! Have faith and know with certainty that he is with Christ and we WILL be reunited for eternity!

“ Our hearts go out to you in your time of sorrow. We never met Levi, but our employee, Eric Williams, and Levi were the best of friends. Eric came to work today with a broken heart. We are so sorry for your loss - may the mercy and hands of God hold you all gently and bring peace and healing.

“ Levi, a man who walked with purpose. Who loved God, his family & friends deeply and who walked out Matthew 10. Levi was an "Extraordinary Man." Without a doubt he is sitting at Jesus feet and riding the open range of Heaven interceding for all of us who remain. May the light Levi carried continue to shine through us.... his family and friends. Thank you Linda and Kim... Levi was a gift to all of us out here in Colorado.... we only knew him a short time but it was like we had known him always that is a reflection of you. We stand interceding for you and yours.

“ Hello - I didn't know your son, but as I was looking thru the online Daily Commercial for a spirit-filled truth to attend, information about your son caught my eye. My son is 23 and his passion is to work with the homeless, so that last word caught my eye. We've lived in Texas too. I'm so sorry that your son died, as i just can't imagine how I would deal with it if Luke died. Your son sounds like a wonderful person, and I know that God will help you thru this difficult time. I'm sure you have much to be thankful for in knowing Levi for 24 years. Many blessings. - Natalie

“ Robinson Family, I have had the great priviledge of meeting Levi here in Colorado Springs, CO. For the small amount of time I've known him, he has left me with so many great memories. He surprised with me with great humor and silly pranks and was truly a man for God and His Kingdom! My prayers are with you in this time. Mary 1 Corinthians 12:26 If one part suffers, every part suffers with it... Mark 5:4 Blessed are those who mourn, for they shall be comforted.

“ my eyes can see you, hear your voice, but it is the wound that can't heal. my heart remembers and time won't forget all the love , the memories seeing you growing up, becoming a man that made you who you were. oh, how i wish there was so much more time, now we are grieving for time to bring us peace, because we know we will see you in your robe and crowns. it's the waiting that's so hard. leave the light on ,,,,,i'll always remember. you made us proud, and god too. i see your smile and hear your laughter, you never wanted riches, only just to make some one happy,as we go on with our journey, i can only hope i'll be as worthy as you.i miss you so much!!

“ Dear Linda - Levi was a great soul and short time friend thru Eric Williams. My son and I hosted Levi in our home a night in LA and then we drove up to the ministry event in Santa Barbara. I was with Levi and group on the first day and rejoiced at what the Lord did that day breaking the bondages Isaiah 58. I am shocked by this news and know that Levi is rejoicing with the Lord and you will be in my prayers...you raised a great son whom the Lord used to touch many wherever he went. So we know what he's doing right now. I was honored to get to know your son. Thank you. Romans 8:38-39
