“ We didn't see each other often but when we did, Uncle Bud always had a big smile and hug for me. Love to all the family

“ Sorry to hear of Uncle Bud's passing. It was always great to see Bud when he came home. In the 60's he and Papa would go out fishing and bring back dinner. Great happy memories.

“ I am so sorry for the passing of Lewis, my condolences to the English's and Family. I know too well the pain of losing a love one in death. What brings me great comfort is Gods promise at Revelation 21:4- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." There will be a day when death will be no more and we will see our love ones again. I hope this brings you as much comfort as it does me.
