

Libbi Cozart

April 6, 1934 - September 1, 2022

Libbi Cozart passed away on September 1, 2022 after suffering a stroke four days earlier. She is preceded in death by her parents, Thomas and Icie Crawford, and her five brothers.

She is survived by the love of her life for 67 years, Jim Cozart, daughter Carla Johnstone (Jim), sister Carroll Pellett and many beloved nephews and nieces.

Libbi loved her life and her home in Leesburg, where she and Jim lived for the past 21 years. She was a fixture of several bridge clubs, and also enjoyed playing bingo and dominoes. Prior to retirement, she and Jim traveled the world through his job at Goodyear Tire & Rubber Co. Because he was constantly transferred to different places, she held a variety of jobs through the years, including window dresser, model, several secretarial jobs including secretary to the American Ambassador of India, and her final job was with the Purchasing Dept at Goodyear. She loved keeping in touch with friends and family, and was always on Facebook to keep up with everyone. She was a very creative person and had a special flair for interior decorating and design. Her home was always beautifully decorated for every holiday. Over the years she enjoyed crafts like candle making, ceramics including creating ceramic dolls from scratch, needlepoint, and cross-stitch.

In keeping with her wishes, there will be no funeral service. A memorial

service will be held at a later date. The family requests that no flowers be sent in her memory.

Tribute Wall

LI

“ Oh,,,, Sweet Jim and Carla.. My heart hurts for you both at the loss of Libbi. She was my Libbi too. I know the love she had for you both. Being fortunate enough to have her in my chair ever week for many years we shared MANY things. Her Jimmy was the light of her life. She honored you always. And Carla, you were her FAVORITE child. :) Love and hugs, and prayers for peace to you both during this difficult time.

“ My mom, Peggy Bryant, and Libbi were great friends when I was young. I spent many fun times at Libbi's and Jim's home visiting Carla. The first cinnamon toast I ever ate was at their home (but I could not develop a taste for cheese toast, sorry). Libbi was one of a kind! Love and prayers for the family. I am sure that a huge party is happening in Heaven right now.

“ *Jim and Carla,*
There are no words big enough to express how my heart hurts for the loss of Libbi. I have so many wonderful memories of our years together. She was my friend, my confidant and my shoulder to lean on. I learned so much from her and her many talents. I loved her like a sister and always felt loved by her. My deepest condolences to you and prayers that you will get through this loss because of all the great memories you have and the love you have for Libbi. She loved deeply. Especially the two of you. I will miss her and will always love her. Love the two of you and so thankful you have been part of mine and Gene's lives.

Love,

Shirley and Gene
