“ Dear Johnson Family, My name is Winter, I comfort people with the Bible. This is a beautiful page for Mrs. Johnson, with a beautiful picture to match. I am so sorry for your loss. Please accept my condolences. During this difficult time I have found God's Word the Bible can bring much comfort. Along with prayer, good friends and writing down your feelings. These steps have helped millions. The scriptures that help me are: John 5:28-29, Acts 24:15, and finally Revelation 21:3,4 tell us what we changes God has in store for the earth. My sincerest sympathies. Sincerely, Winter
