“ Bobby, John & Gary -- Your Mom and ours passed on in the same time period and reminds us how fortunate we were to be raised by The Greatest Generation in Glendale. We had the best, the Glendale Royals and homes made by our Moms to nurture us yet give us freedom to roam. It was purely a coincidence that my Mom and yours grew up as acquaintances as girls in Ridgewood, then moved to Glendale. I remember her always. Condolence from Ilka and me.

“ There are so many things to say about Lillian. Such a kind caring woman who loved her family. Her great sense of humor and her wittiness were so fun to be around. We will truly miss her. Thank you for sharing a part of her life with us. Death leaves a heartache no one can heal, but love leaves a memory that no one can steal. Cherish the memory of Lillian as we all will. Love, Cindy & Tom

“ I was one of the ladies that played Rummikubs with Lillian on thursdays. Although I didn't know Lillian very long, I enjoyed her company and thought she was a lovely lady. We went to the same church and would see her often in church. I will miss her. My condolences.

“ Although we only knew Lillian for a short time, she has made a heartfelt impact upon us with her smile, wit, skillful card/games victories, her attractive personality and the willingness to adopt Florida and her new-found friends in the neighborhood. May Mother's Day continue to honor her spiritual presence and release fond memories and lessons to all her loved ones, both young and old: *AFTERGLOW* I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering softly down the ways. Of happy times and laughing times and bright sunny days. I'd like the tears of those who grieve, to dry before the sun of happy memories that I leave when life is done. ---author unknown With Love, John & Carolyn
