“ *Lil the memories we shared keeps me going. Vegas, Padre island, Mesa, Az and so many more. Can't think of a time you weren't there with me sharing our lives together. We truly were besties and always had the best time. Our talks always turned into late night 2-3 hour talks when we both agreed we needed to go to bed. I will miss you my "Bonus Sister." This isn't goodbye. This is till we meet again! Love you and thank you for a wonderful 48 years!*
