“ *To the family: Mrs. Taylor was a lovely lady and seeing how you all cling together as a family, proves she was loved by you all...for each of you that took care of her, may God bless your lives richly....you gave to her as she gave to you. God knows and saw all....you will be rewarded one day, if not here on earth, for caring for this wonderful woman. She is no longer suffering or in need...she is walking with Jesus..how great is that? I know she is catching up with those that have gone before about those she left behind here. May Jesus hold your hands during this sad time and comfort you all.*
