“ Dear John,Dawn & Adams Family, I wanted to give your family my condolences. I hate that our enemy death has taken Ms. Elizabeth. (1 Corinthians 15:26) I am so very sorry for your loss. I hope you have peace and receive the comfort only God can provide. I have found to be soothing John 5:28, 29. "The hour is coming," said Jesus, "in which all those in the memorial tombs will hear his [Christ's] voice and come out." Read and re read that promise from Jesus. My deepest sympathy.

“ It is with a heavy heart, now that the shock has worn off, that I share my feelings. I will miss her laughter and the laughter she brought out in me. I will most miss our shopping trips, where we played in shoes, trying on pair after pair and laughing with each other. I will miss our lunches at Captain D's and the happiness of just being together. Going through the thrift shops, remembering what antiques we each had. I can't imagine doing these things without her. Her love of Florida State and fierce loyalty to that team and to her family. May God be with all of our family and give us the peace that passes understanding, especially to Dawn, Johnny and their families. I will always love you.
