“ Linda and Barry and the "boys" hold good memories for me over the years we all lived in Center Hill. I have never met such a hard-working family and they were always so pleasant to be around. Lost contact with them when they ventured off to Oklahoma and didn't get to connect with them when they moved back. My though and prayers go out to Barry and the family for your loss.

“ Linda was a classmate of mine at Webster. She was smart as could be. I remember her so well. Barry and I worked in the watermelon fields together and rode horses together. Both lived near me before we were adults. I know Linda will be missed. My condolences to Barry and all of Linda's family.
