“ We were so very sorry to hear of Linda's passing. We all had so many good times "clowning around" with both of you! May memories of happier times soon relieve your sorrow.

“ How lucky were we to have Linda in our lives! Oh the memories I have of our nearly 50 year friendship. We celebrated and consoled each other thru divorces, marriages, moves (many more for her!), promotions, family fiascos, etc. We shared a love of shopping, antiquing and B&Bs. Though our husbands hated our "Girls Trips", we had some of the happiest moments spending time together. Linda was just the kind of person everyone wanted to be around. She loved her family unconditionally and loved her God even more. She was fun, quick-witted, generous to a fault and so very very kind and loving..... And now she's a beautiful Angel watching over us.
