“ Linda was my late wife Kerry’s best friend when we moved to The Villages and the first to introduce herself when we arrived.

With the sometimes infectious laughter over the littlest things, they shared so many great times together whether local sightseeing, shopping, local gaming events or just on the phone or texting together.

Linda was also a considerate and compassionate friend to the family, always there with chicken noodle soup or some other goodies when we were not feeling well. I’m truly blessed that she was part of our life.

“ My Aunt Linda was a beautiful person with an unforgettable sense of humor. We spent so many summers together playing and laughing. She was kind, gentle and joyful. Even though we hadn’t seen each other in a long while, she’s forever in my heart.

“ Linda has been in my life for a little over 50 years....first as a friend...then as a sister-in-law. In recent years we decided that we were really just sisters ... (aka “sista”!). Although separated by distance, we spoke almost weekly on the phone. I will miss her cheery voice saying...Hi Kids! She always asked about her three nieces and her nephew. My family has such wonderful memories of going to her home, swimming, learning to dive, BBQs, learning how to play cards..family togetherness. Linda loved life..her husband, family, friends, traveling, simple pleasures. She was always there to help people, to give, to say a kind word. No matter what she was going through, she always had a kind word,..a thank you ..to those who offered help! You are missed but the memories, sister, will always remain. Love, Betty
