“ My sweet Aunt Linda will be laid to rest tomorrow. She was a kind, sweet lady who was always giggling. She ran me to school and back endless days and let me chauffeur her around after I received my permit. She was always up for anything and loved my girl friends. She listened to my problems and always had my back. If I didn't like someone or something, she didn't either! Lol I'm surprised she didn't have any heart issues after the scares I gave her on the road. I will always remember her kindness and smile. I praise God for the sweet memories I was able to make with her and the friendship that was forged. She was the best! I love you, until we meet again. ❤️
