“ *In Loving Memory of Linda*

*Linda was a remarkable soul, embodying both kindness and strength in everything she did. She had an incredible ability to make everyone feel welcome, and her warmth was a gift to those around her.*

*Though Rose and I, Klaus, may not have seen her in a while, the memories of her wit and laughter will forever echo in our hearts. Her jokes brought joy to our lives, and her spirit will be dearly missed.*

*Thank you, Linda, for the beautiful moments we shared. You will always hold a special place in our hearts.*
