“ To me Linda was a loving and caring longtime friend. She seemed like one of our family at one time. We moved from Ravenna, Ohio to Southeren Ohio. Linda would visit us no matter where we lived, She was a hard working girl and never complained about very little time off work, Linda accomplished much in her life. but never gave herself any credit for what she did, Everything to her was from the Lord and the Holy Spirit, A wonderful witness for the Lord. She always ask me how my life was? and if I was ready fir the Lords return? So caring about others in her life. She always told me not not to let the devel take away what I had,.because she would be sp disappointed if the Lord came back and I was not there with her, I Love you so my GOOD FRIEND, I will see you again when the trump sounds loud, I will be praying for Richard and your family. I love you and will miss you terribly, Patty,

“ Linda has been a good neighbor for many years and she will be sorely missed. She always waved as she passed my house.
