“ Terry, It's a very sad time and I'm sorry for your loss. It hurts and it will for some time. A lot of people said a lot of things to us when Megan died, trying to say the right thing, trying to make us feel less sad. The one thing one person said to me that made sense and sank in was this: Grief is the price we pay for love. Very true. I'm thinking about you. If you ever want to talk, please call me. Tom
