“ *To all of Linda's family and friends, We were deeply sadden to learn of her passing. After all the years of cousins being apart, it was truly an honor to make connections again during her last 2 years. We will forever remember her presense at Cleveland family reunions. Linda was a very special person and will be truly missed.*

“ I worked with Linda at Howard Middle. I loved her joy and energy and her kindness. She has been missed since her illness prevented her from working at Howard. She was a blessing to her students and her fellow ESE teachers. May God Bless her family, I know she is in a far better place.
