“ Our family was so blessed to have Linda in our family. She was beautiful, kind, loving and just plain awesome woman. We first met in high school. Then I introduced to my brother Jimmy and that is when my friend became family. She had been through so much the last years of her life. I often amazed at just how strong Linda was. I know heaven has another angel now. Rest in peace dear one. We always think of you and will love you forever. The Cochran family
