“ *Linda you have been my BEST friend since we were teenagers. I remember when you met the love of your life, Gene. I am so happy that God put him in your life. Though your love for Gene, was born your beautiful daughters Lisa, Karen and Rhonda....now look all those grandchildren and great grandchildren. Our paths didn't met often, but when we did it was like a day had not passed since the last time we saw each other. Oh, the fun and memories we shared. I'll sign off like we ALWAYS signed our letters to one another. Love & Stuff, Phyllis PS Give my Jim a kiss for me when you see him.*
