“ We are very sorry for Sue's passing. She has been a positive influence in my life since I was old enough to know the neighbors and friends around Linden and Tarrytown. She gave to her community and to her family. She spent many hours working for the cemetery committee, her church, the schools, and probably other charities that I don't know of. We pray for strength and comfort for the family. God knows how much you all have had to try your souls recently. We send sympathy and will keep you uplifted in prayer.
