“ *Bill, my heart goes out to you. I am hugging you with deep sympathy and love and compassion. Anyone who had the chance to know Linda, has been blessed. I know I am. Her contagious smile, wonderful giggle, was a "trademark", as well as her style, and grace, and compassion, and her middle name was FUN. She helped me through some difficult times in Las Vegas, as well as when I was diagnosed in 2006. She encouraged me and her friendship meant so much to me, because I knew she understood. Bless you Linda, and Bless you Bill. May Peace enter your heart and soul.*
