“*Sadly, the loss of a loved one to death is a truly, painful experience. However, according to the Bible, our wonderful God Jehovah offers comfort to us during all times (2 Corinthians 1:3,4). He has also given us hope in the form of the resurrection. John 5:28,29 says, "all in the memorial tombs will hear his voice and come out". This gives us hope that one day those lost to us in death will be brought back to life. Please find comfort in these words and scriptures during this time of bereavement.*
