“ Roland & Gregg, we are so sorry for your loss. We have known Lois from the 70's, such a dear friend & neighbor. I also enjoyed being her hairdresser for many years. She would bake for our family the most delicious basket of goodies & bring them during the busy Holiday Season. She was a true blessing.

Roland we remember you & Lois coming to see our new home in Fruitland Park. We really missed our neighborhood & friends. Judy & Terry Stephenson

“ Lois and Roland were the first ones to greet me when I moved next to them in 1994. Since then we would talk and share memories . When she was out in the yard I would go and chat .She would do the same with me. Lois always had a smile on her face and we always had a good laugh before saying "see you later " Lois was a person you were glad to know and befriend
